EXPERIENCE

- **Freelance Multimedia Creator**
 - Kelvin Does Things | Clearwater, FL | October 2016 - Ongoing
 - Shot, Color-graded and edited videos for studio and on location shoots for local businesses, weddings, and music videos
 - Built creative graphics that pushed the brands of which I worked with, through logo design and creative comprehensives
 - Illustrated artwork for promotional use for video games and movies
 - Designed concept art to visualize a client's vision of their story with character designs
- **Product Photographer and Videographer**
 - The Jewelry Exchange | Tustin, CA | October 2019 - May 2020
 - Photographed and edited high-quality images for both print and internet distribution.
 - Put together graphic design for web and social media
 - Created titles and motion graphics in After Effects for advertisements
 - Edited videos in Premiere Pro for advertisements and color grading
- **Concept Artist and Illustrator**
 - Zoom Platform/Jordan Freeman Group | Remote | July 2018 - October 2019
 - Took ideas and developed high quality creations, which included characters, environments and other objects.
 - Applied color theory and lighting techniques in drawings and illustrations to add excitement, focus and depth.
- **Multimedia Producer and Director**
 - Raspberry Pie | Orlando, FL | September 2016 - July 2019
 - Planned and prepared for all on-location and studio shoots.
 - Selected and altered secondary photographic features such as backdrops and lighting.
 - Developed creative design for marketing packages, including print materials, brochures, banners and signs.
 - Used Adobe Premiere and Photoshop to edit footage and photography add effects and color grading.

EDUCATION

University of Central Florida, Orlando, FL | June 2014 - May 2017
Bachelor of Fine Arts in Emerging Media Track (Character Animation), GPA 3.938
